CHARLY T IS BACK AND HE'S BROUGHT BACK TRAVEL DISCOVERIES – JUST FOR YOU!

SINGAPORE, 4 FEBRUARY 2010 – Charly T is back and he's brought the world with him! This time, he has brought back Travel Discoveries from the Aloha islands of Hawaii, and Murano Island in Italy.

Charly T, who is always travelling and curious about different places around the world, their authentic recipes and cooking styles, as usual, searched and investigated on this recent trip and has brought back, as usual, gift items perfect for his friends and family and JUST FOR YOU!

While in Hawaii, Charly T discovered a small 'homestyle' bakery in Honolulu that makes freshly baked Macadamia Shortbread Cookies from the finest ingredients and with a touch of unique island flavour. Available at SGD12.00 (excluding GST) a pack, these cookies come in Toffee Macadamia, Lilikoi Macadamia and Chocolate Macadamia flavours.

Whilst in Italy, Charly T visited the glass factories on Murano Island where glass blowing has been practiced for over 600 years. Murano Glass from the earliest times has been most sought after by royal families and collectors around the world.

Charly T, as is his practice, sourced and negotiated long and hard and was able to bring back a few hand crafted wine stoppers, made with original Murano Glass. Priced at SGD 30.00 a piece, these lovely treasures come packed in a royal blue box and make perfect gifts for friends or JUST FOR YOU!

Some of the other items that Charly T is offering JUST FOR YOU are iconic Hawaii themed key chains and Charly T's Food Journey's Destination T's, specially designed by local designer Benny Ong.

All items are available in limited quantities and are available at Charly T's In the JUST FOR YOU corner located within the restaurant.

Charly T's is open seven days a week, from 8am to 11pm. Breakfast is served from 8am to 11am and until 12noon on weekends and public holidays. On Thursdays, Fridays and Saturdays, hours are extended till 2am.

Charly T's was developed and created by Creo Lifestyle for Food Journeys.
